NDBODE have scheduled a special meeting for April 3, 2020 at 8:00AM CDT. This call will cover updates on Dental Practice Recommendations/Mandates, CE/CPR Guidance, and New Associate/Graduate Licensure in ND. Provided above is the conference line for you to connect to this meeting. The conference line is listen only and will not allow for comment functionality. **If you would like to provide any comment to NDBODE for their review, we would encourage you to provide that comment to them in written form prior to the meeting. You can contact the NDBODE by email addresses and phone numbers above.** As the regulatory body charged with the protection of public health and safety regarding the practice of dentistry in North Dakota, the NDDA respects and recommends the guidance provided from our NDBODE. We thank them for their guidance not only for our members, but all licensed dental professionals within our state. The NDDA again is receiving a multitude of calls, emails and texts regarding their guidance. So as to not create any confusion, we have provided their contact information above. The NDDA cannot represent any positions taken by NDBODE, but firmly and unanimously stands in support and respects their decisions with regards to the regulation of the practice of dentistry in our state.
