Dr. Amber Determan

### **Iowa Dental Association**

Dr. Shawn Hedlund

### **Nebraska Dental Association**

Dr. Mitch Henry

### **ADA Trustee (10th District)**

Dr. Sara Stuefen

# Thank You!

The North Dakota Dental Association would like to express our sincere appreciation to the following companies for their support and sponsorship of the 2026 NDDA Annual Session:

## JACK PFISTER - DDS LECTURE SERIES

**Dr. Jack Pfister**

The NDDA's Annual Session Clinical Lecture Series is named in honor of Jack Pfister, DDS, Wahpeton, ND. Dr. Pfister graduated from the University Of Minnesota School Of Dentistry 1943 and practiced dentistry until his death in 2011. He was the ultimate leader in organized dentistry serving as his district's president, six years as secretary and then 10 years as trustee for the NDDA, serving as its president in 1964. Dr. Pfister served two terms as 10th District Trustee to the American Dental Association and one year as ADA treasurer. Dr. Pfister also served as a member (6 years) and then chair (4 years) of the ADA's Council on Hospital Dental Service. Dr. Pfister was always proud that he was instrumental in helping implement the dental hygiene program at NDSCS. Dr. Pfister served as NDDA Executive Director from 1983 through 1992. Jack was an accomplished tennis player, he loved the practice of dentistry and organized dentistry and the NDDA gives this recognition to him in appreciation and honor for his decades of service to dentistry.

**THURSDAY, SEPTEMBER 17TH, 2026**

### **CHANGING THE SCRIPT: OPIOID STEWARDSHIP (2 CE'S)**

***Sponsored By: Opioid Response Network***

***Presented By: Dr. Marcus Tanabe***

**4:00 p.m. – 6:00 p.m.**

Dr. Marcus Brian Tanabe is an oral and maxillofacial surgeon based in Grand Forks, North Dakota. He earned his Bachelor of Arts in Natural Sciences from Saint John's University in Collegeville, Minnesota, before completing his Doctor of Dental Surgery degree at the University of Minnesota School of Dentistry in 2003. Dr. Tanabe completed advanced residency and chief residency training in Oral and Maxillofacial Surgery through Saint John Health in Detroit, Michigan, as well as additional clinical training at the Medical College of Wisconsin and the Minneapolis VA Medical Center.

Board-certified by the American Board of Oral and Maxillofacial Surgeons, Dr. Tanabe has been actively involved in organized dentistry throughout his career. He has served in leadership roles with the North Dakota Dental Association, the North Dakota Board of Dental Examiners, and the American Student Dental Association. In addition to his clinical practice, he has teaching experience in advanced oral surgery education and continues to serve as a Basic Life Support Instructor and director of the Red River Study Club. Dr. Tanabe has received numerous honors for leadership, service, and professional achievement within the dental community.

#### **COURSE DESCRIPTION:**

This interactive presentation explores modern opioid stewardship in dentistry through the lens of evidence-based pain management, whole-patient care, risk mitigation, and practical workflow integration. Participants will gain actionable tools to improve prescribing practices, enhance patient safety, and support interdisciplinary approaches to substance use risk within everyday dental practice.

**LEARNING OBJECTIVES:**

- Apply evidence-based strategies for acute dental pain management using non-opioid first-line therapies when appropriate.
  - Describe the evolving role of opioid stewardship in dentistry and its impact on patient safety, public health, and clinical outcomes.
  - Demonstrate appropriate and compliant use of Prescription Drug Monitoring Program (PDMP) tools, including workflow integration in dental settings.
  - Identify patient-specific risk factors for opioid misuse, adverse events, and substance use disorders that may influence prescribing decisions.
  - Incorporate brief screening, trauma-informed communication, and SBIRT principles into routine patient assessment and treatment planning.
  - Implement team-based approaches that engage dentists, hygienists, assistants, and administrative staff in pain management and opioid stewardship efforts.
  - Recognize referral pathways and community resources for patients who may benefit from further evaluation or treatment related to substance use concerns.
  - Develop practical strategies to balance compassionate pain control with responsible prescribing in oral healthcare practice.
- 

**STATE GOVERNANCE AND RULEMAKING 101 (1 CE)**

***Sponsored By: ND Board of Dental Examiners***

***Presented By: David Schaibley, Esq.***

**5:00 p.m. – 6:00 p.m.**

David Schaibley has served as the Executive Director for the North Dakota State Board of Dental Examiners since 2023. In that role he assists with day-to-day operations, including the logistics and substance of Board meetings, testifying on the Board's behalf, and drafting proposed statutes and rules. Prior to joining the Board, he served as an Assistant Attorney General for just over a decade where he provided legal advice to many state agencies, including about a dozen licensing boards—one of which was the NDSDBE.

Mr. Schaibley was born and raised in Bismarck, earned a bachelor's degree in public administration from the University of North Dakota, and served twelve years in the North Dakota Army National Guard—to include deployment in Operation Desert Storm. He then attended law school in St. Paul and worked for about 15 years as an attorney in the Twin Cities in a variety of roles, including serving as legal counsel at non-profits and corporations, and in a private litigation practice, before returning to North Dakota.

**COURSE DESCRIPTION:**

This session provides an introduction and overview of the North Dakota State Board of Dental Examiners (Board)—the state governmental entity charged with the responsibility of regulating the practice of dentistry. Included will be a discussion of the oversight provided by the Governor and Legislative Assembly, Board members, appointments and terms of office, laws that govern the dental profession, and the Board's roles, duties, obligations, and limitations. Specific attention will be paid to the complaints and disciplinary process, and the Board's rulemaking responsibilities.

**LEARNING OBJECTIVES:**

- The role of the Office of the Governor and State Legislative Assembly, and Board's relationship with them.
  - The Board's roles, responsibilities, obligations, and limitations.
  - The Board's relationships with and differences between the Board and other governmental and non-governmental entities.
  - State regulation of the practice of dentistry and licensees, with a focus on the applicable statutes, rules, regulations, and policies, and how they impact licensees.
  - The complaint and disciplinary process.
  - The rulemaking process, including the overall procedure and the roles of the Board, its licensees, stakeholders, and the Legislative Assembly.
  - Your opportunities and means of effectively engaging with the Board.
- 

**STRESS, RESILIENCE, AND MENTAL HEALTH IN DENTISTRY (2 CE'S)**

***Presented By: Michael C. DiTolla, DDS, FAGD***

**6:00 p.m. – 8:00 p.m.**

Dr. DiTolla was in private practice for 15 years before becoming Director of Clinical Education for Glidewell Labs for the next 15 years and led the clinical team that developed and brought BruxZir Solid Zirconia to market. In 2011 he received the "Most Effective Dentist Educator" award in a nationwide survey of dentists. He recently received the Gordon J. Christensen Award Distinguished Speaking from the Chicago Dental Society. His online educational videos have over 16 million views on YouTube. He currently maintains a private practice focused on clear aligners, veneers and obstructive sleep apnea in Lodi, California.

**COURSE DESCRIPTION:**

Dentistry is a demanding profession where stress and burnout often go unspoken. In this engaging and relatable presentation, Dr. Mike DiTolla uses humor, personal stories, and psychologically grounded insights to explore the emotional challenges dentists face in modern practice. Participants will gain a better understanding of how stress affects their work, relationships, and wellbeing — and why caring for themselves is essential to caring for their patients. This program offers practical perspective, renewed connection, and a more sustainable approach to a fulfilling career in dentistry.

**FRIDAY, SEPTEMBER 18TH, 2026**

**BEAUTIFUL PREPS AND IMPRESSIONS MADE EASY (3 CE'S)**

***Presented By: Dr. Michael DiTolla***

**8:15 a.m. – 11:45 a.m.**

Dr. DiTolla was in private practice for 15 years before becoming Director of Clinical Education for Glidewell Labs for the next 15 years and led the clinical team that developed and brought BruxZir Solid Zirconia to market. In 2011 he received the "Most Effective Dentist Educator" award in a nationwide survey of dentists. He recently received the Gordon J. Christensen Award Distinguished Speaking from the Chicago Dental Society. His online educational videos have over 16 million views on YouTube. He currently maintains a private practice focused on clear aligners, veneers and obstructive sleep apnea in Lodi, California.

**COURSE DESCRIPTION:**

Tooth preparation with adequate reduction in the proper areas has more to do with producing esthetic anterior restorations than selecting the correct shade. Techniques will be presented to ensure that dentists give their laboratory technicians the best chance to fabricate a beautiful restoration.

---

**A NEW ERA IN CONSERVATIVE ESTHETICS (3 CE'S)**

***Presented By: Dr. Michael DiTolla***

**1:15 p.m. - 4:45 p.m.**

Dr. DiTolla was in private practice for 15 years before becoming Director of Clinical Education for Glidewell Labs for the next 15 years and led the clinical team that developed and brought BruxZir Solid Zirconia to market. In 2011 he received the "Most Effective Dentist Educator" award in a nationwide survey of dentists. He recently received the Gordon J. Christensen Award Distinguished Speaking from the Chicago Dental Society. His online educational videos have over 16 million views on YouTube. He currently maintains a private practice focused on clear aligners, veneers and obstructive sleep apnea in Lodi, California.

**COURSE DESCRIPTION:**

This course will examine how technology has made it possible for clinicians to turn any prepped veneer case into a no-prep case, making our treatment much more conservative, and more acceptable to the patient. With today's high-strength ceramics, veneers can be made as thin as 0.3mm, making esthetic no-prep veneers possible, if the teeth are in the correct position. No-prep veneers are more difficult to seat than prepped veneers or crowns, and a live demonstration will show a seating technique to mitigate those difficulties.

## 2026 OUTSTANDING ACHIEVEMENT

# DR. KAMI DORNFELD

*The Outstanding Achievement Award was established to recognize members of the association who have made monumental contributions of service to the dental profession, to their community, or to humanity in general. Recipients of this award are chosen by the Board of Trustees and announced during the Annual Session.*

*We are proud & honored to regard these people as friends & fellow members of the North Dakota Dental Association.*

Dr. Kami Dornfeld was raised in Culbertson, a small town in Northeast Montana. Upon graduation from high school, she attended Dickinson State University in Dickinson, North Dakota and received a B.S. in Biology. While Kami was attending DSU, she was involved in many organizations such as Student Ambassadors and the Science Club. As a Senior, she was named the Female Outstanding Student of the Year. She attended Creighton University School of Dentistry and graduated in 2010.

After graduation Kami moved to Williston, North Dakota and began working as a General Dentist at Kemp Family Dentistry. In 2013 she bought the practice and changed the name to Sincere Smiles. Kami currently co-owns the practice with her partner, Dr. Natalie Crawford for over 10 years.

Dr. Kami has been involved in the Williston community. She participated in the Chamber of Commerce's Leadership Williston program and was the director for the program the following year. Kami has been a member of the Parish Education committee and church council at Gloria Dei Lutheran Church. She served on the Basin United Way board for several years. She has served on the Leadership and Education Committee through the Chamber as well.

Through the years Dr. Kami has been an advocate for dentistry in Williston. She currently volunteers her time at three elementary schools in the area twice a year for the Department of Health's Sealant Program. She has worked

with Williston Head Start to complete screenings and fluoride applications. She has been leading a station at scrubs camp for many years. The local long-term care facility collaborated with Dr. Kami to get an in-house dental chair/clinic up and running where she currently treats residents 1-2 times per month. Kami is a member of the Donated Dental Service program and has also taken part in six Dental Mission of Mercy events. She is the current chair for North Dakota Mission of Mercy.

Dr. Kami served both a 3 and 5-year term for the North Dakota Dental Association. She currently serves on the North Dakota Foundation board. She is also a delegate for the American Dental Association and served a 4-year term on the ADA's Council for Dental Practice where she was chair of the dental wellness advisory committee for two years.

Kami and her husband, Jeff, have been married for 19 years. They have two sons: Kelson (16) and Kaseton (13) who are involved in swimming, soccer and tennis. Kami loves traveling, playing cards and board games, fishing, scuba diving, and spending time with family and friends.

Dr. Kami is very humble and grateful to receive this award. It has been a rewarding experience to practice dentistry alongside so many wonderful colleagues and mentors across North Dakota.

## 2026 NEW DENTIST OF THE YEAR

# DR. KATHRYN A. HOLZER

*The New Dentist of the Year award recognizes young dentists who have demonstrated exemplary leadership abilities both within the North Dakota Dental Association as well as the dental profession as a whole. The recipient is chosen by the Board of Trustees and announced at the Annual Session. The award is presented to members who have not yet turned forty years old or have been in practice 10 or fewer years.*

*We thank these and all our new members for their participation and their contributions:*

Dr. Kathryn A. Holzer was born and raised in Bismarck, ND, having graduated with honors from St. Mary's Central High School in 2007. She holds a Bachelor of Science degree in zoology with a minor in chemistry from North Dakota State University, where she graduated magna cum laude in 2010. She then attended Creighton University School of Dentistry, where she obtained a Doctor of Dental Surgery degree in the spring of 2015.

Upon dental school graduation, Dr. Holzer was awarded the Creighton University School of Dentistry Department of General Dentistry Outstanding Senior Award, the Academy of Periodontology 2015 Dental Student Award, and the Dentsply International Merit Award in recognition of having completed with distinction the undergraduate studies of removable prosthodontics.

Dr. Holzer currently maintains active membership in the American Dental Association, the North Dakota Dental Association, and the Missouri Slope District Dental Society. She has held the treasurer/secretary position continuously for the Missouri Slope District Dental Society since 2020.

Dr. Holzer is dedicated to providing exceptional dental care for her patients in an environment where every patient feels valued, heard, and respected. Believing that trust is the foundation of great dentistry, Dr. Holzer takes the time to understand each patient's unique needs, treating every individual with kindness, compassion, and genuine respect.

Committed to clinical excellence, Dr. Holzer combines advanced training, evidence-based techniques, and attention to detail to deliver high-quality, personalized care. Whether providing preventive, restorative, or cosmetic treatment, the goal is always to help patients achieve healthy, confident smiles while ensuring their comfort every step of the way.

Dr. Holzer is passionate about building lasting relationships with patients and empowering them to make informed decisions about their oral health. By creating a welcoming, judgment-free environment, Dr. Holzer strives to make every dental visit a positive experience and to earn the trust of patients and families for years to come.

Outside the office, Dr. Holzer is committed to lifelong learning and regularly pursues continuing education to stay at the forefront of modern dentistry, ensuring patients benefit from the latest advances in dental care. She is also a busy clinician, wife, and mother of two beautiful children (ages 9 and 8). Dr. Holzer and her family love to spend their free time outside enjoying parks, biking, hiking, running to and from sporting activities, and spending time at the lake!

## 2026 PRESIDENT'S AWARD

# DAVID SCHAIBLEY

*The President's Award was established in 1999. This award recognizes a non-dentist or non-North Dakota dentist for their efforts in promoting the dental health of North Dakota residents as well as the profession of dentistry. This award is presented to someone who, through their efforts, has made a significant contribution to dentistry, something over and above what is expected of a person in the recipient's position. Recipients are chosen by the Board of Trustees and announced during the Annual Session. We are proud and honored to regard these people as friends of dentistry.*

David Schaibley has served as the Executive Director for the North Dakota State Board of Dental Examiners since 2023, where he handles day-to-day operations and outreach, the logistics and substance of Board meetings, and drafting and providing testimony on laws. Prior to joining the Board, he served as an Assistant Attorney General for just over a decade where he represented many state agencies and licensing boards—one of which was the Dental Board.

Mr. Schaibley was born and raised in Bismarck, earned a bachelor's degree in public administration from the University of North Dakota, and served twelve years in the North Dakota Army National Guard—to include deployment in Operation Desert Storm. He then attended law school in St. Paul and worked for about 15 years as an attorney in the Twin Cities before returning to North Dakota where he and his wife, Ann, are raising two daughters.

cmosbrucker@smilenorthdakota.org

**Kelsey Ehlers**  
Meetings & Events Coordinator  
kehlers@smilenorthdakota.org

# *Thank You!*

The Central Office staff and Board of Trustees would like to thank you for your continued dedication to North Dakota dentistry. We value each and every one of our members and look forward to assisting you for many years to come as we continue to grow and promote dentistry, reduce barriers to care, and being an advocate for you. Thank you for attending the 128th North Dakota Dental Association Annual Session.

*We hope to see you next year!*

## NOTES

## NOTES

*Thank  
you!*

for attending the  
**128th NDDA**  
**Annual Session.**

*We hope to see you  
all next year!*
